

FCC ID  
Label  
Location

A black, ruggedized handheld device, possibly a radio or a specialized PDA, is shown against a white background. The device has a rectangular shape with rounded corners and a textured surface. It features several horizontal ventilation slots on the front face. A white rectangular label is affixed to the center of the device, containing the text "FCC ID", "Label", and "Location" stacked vertically. The device has a small, dark, rectangular feature on the right side, which could be a screen or a sensor. The overall design suggests a durable, industrial-grade electronic device.
